TCCC Bonus Card Program Enrollment Form

Special Note: Bonus Cards must be registered each year due to program rules.

Dear TCCC Parents,

Please support the TCCC Bonus Card Fundraising Program! As a participant in the Giant, Safeway and Harris Teeter bonus card education programs, TCCC can receive financial supplements as long as your bonus cards are linked to the school's account. This is an easy and no-cost way that we can support the programs that are provided to our children.

The enrollment periods for these stores vary; however, we will be collecting your bonus card information throughout the school year. Even if the official TCCC enrollment period has passed, please still return your completed form to the TCCC Office so that your bonus card information can be added to the school's account.

Your support is greatly appreciated!

Sincerely,

TCCC Bonus Card Program Coordinator

AmazonSmile

We have also registered TCCC as a non-profit organization to AmazonSmile, where Amazon donates 0.5% of the price of eligible smile.amazon.com purchases to TCCC. To participate in this program, visit smile.amazon.com and find Tysons Corner Children's Center as the non-profit you'd like Amazon to donate to, or click on the link below to be taken there automatically:
