

LET'S BUILD A FORT!

Cut up a cardboard boxes in pieces and use velcro or duct tape to hold the pieces together in a new shape.

If boxes are hard to find, use furniture - chairs, couches, etc.

Drape sheets over the structure to complete the look.

Provide quilts, blankets or sleeping bags for coziness inside the fort.

Add games, books and flashlights inside.

Supply blocks, Legos, cars, dolls and encourage children to create a city inside the fort.

Inspire creativity with items such as clipboards, markers, crayons, pencils and notebooks.

Put together simple snacks to enjoy in your indoor fort!
