Physician's Name (Print):			
Physician's Phone Number:			
Physician's Signature:		Date:	

If your child has any food allergies, is prone to anaphylaxis reactions, or requires an Epi-Pen or other epinephrine shot, you will also need to have your child's physician fill out the Allergy and Anaphylaxis Emergency Care Plan form. This can be found on our website or by request from the Center office.

This form will need to be signed by a physician and be re-submitted annually from the date signed. In the event that any information on this form changes or regarding your child's allergy, medication (brand, strength, dosage, etc.), or side effects, this form will need to be re-submitted as soon as possible- even this occurs if before the initial annual expiration date.
