

USDA Milk Substitution Form

Dear TCCC Parents and Guardians,

Tysons Corner Children's Center (TCCC) participates in the United States Department of Agriculture's (USDA) Child and Adult Care Food Program (CACFP). This food servicing program has requirements that the center must meet when serving food to children. If your child does not drink whole milk or 1% milk, which the Center provides, USDA requires that we have a Doctor's note on file for your child, indicating that it is your request, along with the Doctor's signature on this form confirming this substitution.

Please fill out the information below specifying your child's milk substitution.
